Mayor Jim Brainard
City of Carmel

TO OUR RESIDENTS: Very soon our community will conduct a partial Special Census to get an updated population count. This new count will help us qualify for state revenues we need for road improvements, related infrastructure updates and other important activities we depend on every day.

The U.S. Census Bureau pays enumerators \$13.74 per hour, plus mileage and paid training. Our partial Special Census will last 3 to 4 weeks. Enumerators are asked to work 25-40 hours each week when neighbors are home, usually evenings and weekends.

Local residents are needed to work on our partial Special Census. The Census Bureau will conduct job testing soon in our community and we hope you will apply. Job requirements and an application can be picked up at City Hall or on the City of Carmel's Website: www.carmel.in.gov Please return completed application to the Human Resource Department at the address below.
